

# 2008 SUMMER DANCE BLAST

## Get Ready to Move It!

*"We are here to educate, inspire, and motivate you to reach your personal goals."*

### JUNE 16-18

**WHAT WE DO:** We teach technique and performance skills in a professional and supportive environment. The process of experiencing dance is emphasized. Our goal is to build confidence in the dancer. It's all about "you."

**DANCE STYLES:** This is a chance for dancers to gain exposure in a variety of dance styles which may include: modern, lyrical, jazz, musical theater, hip hop and tap.

**TECHNIQUE:** A solid warm-up along with across-the-floor skills are shared each day. We will share combinations for all ability levels in leaps, jumps, and turns.

**PERFORMANCE:** On the last day of class we perform our work in a show case for friends and family. Dancers may bring a solo dance to perform.
